Taylorville Tornado Sports Boosters

Taylorville Tornado Sports Boosters (TTSB), is a volunteer, non profit organization formed to assist Taylorville's High School Athletic Programs. Through this assistance, it is our hope that the programs remain competitive and promote a positive image of Taylorville Community Unit School District #3.

How To Get Involved

The first step in becoming a TTSB member is simply paying yearly dues. Also, volunteers are always needed with various fundraising activities throughout the year. Open meetings are held once a month to ensure continuity in meeting the needs of Tornado Sports Programs.

Our Main Support

Our support comes from three main areas:

1. Concessions– during home games, concessions are set up to provide drinks and snacks. Profits raised are then shared with the club(s) that provide manpower during the serving hours.
2. Tommy Store– offering a large variety of Tornado Wear so everyone can proudly display the school colors. Volunteers are always needed to work the counter of the Tommy Store and be able to offer these products to the general public.
3. Tornado Open Golf Outing– This is the largest and most successful fund raiser. It is held at the Lakeshore Golf Course in early August. For this event to be successful, many volunteers are always needed. Please contact any officer:
